CLASS OF

1987

SENIORS HARD WORK PRODUCES FOUR VERY MEMORABLE YEARS

The hard work of many active students made the highschool years of the class of 1987 happy and memorable ones. Active students sold candy, buttons, flowers, hats, keyrings, lumpia and rigatonni to earn the $4000+ spent on the prom at the Galleria.

The Seniors also had the opportunity to enjoy the fun of Disneyland, the thrill of Magic Mountain, and the cool breezes of Catalina on a senior trip to southern California. Another opportunity was a trip to the tropics of Hawaii during the summer. The Grad trip was a picnic.

The Seniors had productive high school careers. They tried new things and prepared themselves for bigger and better opportunities in the future. As Cecille Vicencio, vice-president second semester, said, "We will pave the way for future generations."

JUNIORS BLOW SPIRIT WEEK AWAY

The Juniors dropped a bomb on Encinal when they broke the tradition of Seniors always winning Spirit Week. Who said the Juniors couldn't do it?

"COKE OR PEPSI, WHICH DO YOU PREFER?" was the winning theme for their class. They took first place in the hall decorating contest with the opposing sides opposite each other, one for "PEPSI-LOVERS," and the other for "COCA-COLAHOLICS." Noontime activities were a large part of their victory over the Seniors. They received the most amount of points by winning almost all the games that were played, whether it was bobbing for apples, running for shoes, or tossing eggs.

The big finale for the Juniors came when they entered the world of television commercials. There were guest stars who visited from both sides of the Coke and Pepsi war, includig Don Johnson, alias, the Junior advisor, Mr. Preminger, and Whitney Houston, alias, one of the Junior sponsors, Ms. O'Rourke.

The Juniors grew very prosperous by winning Spirit Week, selling candy, and by holding the most profitable dance ever at Encinal.

SOPHOMORES PROFIT THROUGH THE YEAR

As the year began, the sophomore officers were already busy setting up fund raisers for the year. Many meetings were held, and many hours were spent discussing the events to come in the months ahead, but each and everyone who took part could proudly say, "It paid off."

The first fund raiser of the year was the button sale during the week of the big game of the crosstown rivals. These were just not any old buttons. They had the symbol of the Jets football team. Through this opening sale, the class of '89 earned $200.00.

Next was our Halloween grams, a very creative and ingenius idea that included and orange carnations, a message, and a bag of candy which was delivered on Halloween. The net profit was $350.00.

The highlight of the month of October was our Soph Hop "Walk this way." It was an event which almost the whole school took part in. The dance was our biggest benefit and made the most earnings all year long.

A sunny Saturday in October was devoted to washing cars for the active sophomores. As they were still working hard after hours of grueling, scrubbing, and rinsing, only one thing was on their minds, "No car on this lot will be left unclean." That day, we made a gross amount of $250.00, which goes to show that pain does come with pleasure.

There were just a few of many beneficial events that were held through the year. With the strong support of the class of '89 and their sponsors, we succeeded in earning $2000.00. Let it be known that the year was a prosperous one!

FRESHMEN HAVE A SPIRITED YEAR

The freshmen class of approximately 270 students surpassed many first time encounters their first year at E.H.S. For example, they surpassed their first high school dance, their first spirit week, and for many their first open campus.

The freshmen class came alive during spirit week by placing third overall. To represent their theme, "Going Safari", the freshmen dressed themselves in safari attire and camouflaged their section of the main hall with bushes, shrubs, and figleaves.

Coming to a close, the freshmen surpassed their first year with high spirits.

LEADERSHIP CALLS SCHOOL TO ORDER

The Leadership class of 1987 made all decisions in the student government. To be eligible for this class, students were elected in and had to maintain a G. P. A. of 2.0.

Part of the job of Leadership was not only governing the student body, but also raising funds for activities, reviving school spirit, decorating the grounds, participating in community services, and representing our school in the city of Alameda.

Leadership had also strived in activities such as serving the Thanksgiving dinner for senior citizens, organizing the Blood Drive for the American Red Cross and holding a can-food drive. It was satisfying enough knowing that their community services were beneficial.

Holding community services was not only leadership's job but holding activities for students. They held the first dance of the year in which they raised $1500. Music Masters, the DJs, thrust a new spirit into E. H. S.

Leadership was very important class in which students learned more about responsibility with the help of their advisor Arthur Roke. Hopefully someday they will be future rulers.

ACTIVITIES, ONE AFTER ANOTHER CONSUME MUSIC MAKERS DAYS

Music filled the air and it was not hard to find a suitable class for the musically inclined as there were three different levels of music at school. Jim Hewitt conducted the Concert Band, Advanced Band and Jazz Ensemble.

The music itinerary for 1986-1987 kept the music makers moving. During the football season the advanced band, lead by Ken Mejia, played at every varsity home game and one night game at Piedmont. They followed up Jet football with a performance at the Shrine All-Star football game at Stanford University on Jan. 10, 1987. That game was a "killer" for their day which started at 6:00 AM and wasn't over when the game finished about 4:30 PM., but the cause for the kids in Shriners hospital was well worth the long day. The evening of Jan. 7, the Advanced Band joined the Chinese New Year Parade in San Francisco and musically helped wish onlookers "gung hay fat choy". A winter concert, a band festival at Albany High, music for the J.R.O.T.C. competition in late April plus the A band review rounded out the year.

A Christmas Carol band was formed and spent a hectic month making "Santa music" for local extravaganzas. They caroled in front of city hall for the christmas lighting on November 20. They made music for the Family Service Christmas Decorations Tour, and on two occasions filled two local shopping centers with the sounds of Rudolph the Red Nosed Reindeer and other appropriate tunes on four different Christmas shopping days.

Jazz Ensemble added to the fall and the winter concert productions. They certainly got their kicks in when they concertized the Waters Edge seniors home and followed that with a jazz concert with our friendly rival, Alameda High's jazz Ensemble.

Music's hectic year ended with the graduation program in which all instrumentalists in the department, except seniors, played and musically said their goodbyes to the memories of 86-87.

CHOIR CLASS HARMONIZES

"Do, re, mi, fa, so, la, ti, do!" These notes were song in the Encinal High School choir class daily. Mrs. Kinchen led a talented group consisting of 30 students daily to enhance their vocal skills.

Mrs. Kinchen taught her vocalists many songs, ranging from jazz to ballads. Throughout the year, programs were held to show off the great talent of the EHS choir class.

Each day the class did various "warm-up" exercises to prepare them for an hour of singing. Such warm-ups consisted of stretches for the mouth and body, while "tuning-up" their voices.

Mrs. Kinchen led her students very well, and prepared them for future episodes of "Star Search."

BUSINESS BUNGALOWS PREPARE FOR BUSINESS WORLD

When it came to getting 400 students ready for the business world, no one did it better than the teachers of the "business bungalows."

Mr. Ybarra taught his students accounting beginning typing. His 30 future accountants fooled around with numbers, while calculating and computing such things as Balance Sheets and Income Statements. Beginning typing was also taught by Mrs. Porter, who emphasized on "not peeking." Mrs. Porter, whose shorthand classes were dropped this year, also taught intermediate and advanced typists to elaborate on their skills by having timed writings and daily assignments. Aside from teaching word processing, Ms. Bessard encouraged her students to increase their typing skills by having timed writings and projects daily. She also did her best to help her students find jobs in the word processing field. Mr. Matula took a break from his daily biology classes to join the "business bungalow family" by teaching two classes of Computer Literacy. Mr. Capling, the head of ROP Business Dept., taught his students computer in business and data processing.

After experiencing classes in the "business bungalows," Encinal students believed they were ready to conquer the business world.

R.O.P. AIMS FOR PREPARED STUDENTS

48 students enrolled in food management class, cooked and prepared variety of dishes under the direction of Mr. Terry Brandon, chef.

R.O.P. sponsored a new restaurant, "The Blue Bistro." located in room 601. It opened on Fridays and gave students an opportunity to serve some of their finest dishes. Reservations were made through phone calls and tickets were purchased in the banking office for $4.50. A special Thanksgiving buffet was also held on November 21, 1986.

There were 36 students enrolled in horticulture class taught by Mr. Kawaguchi. Students hour class was offered in periods 5 and 6.

Students kept themselves busy as they learned how to maintain plants, flower gardens, and vegetables. Other students built structures for gardens.

ART STUDENTS ARE INTRODUCED TO THE BASICS

The world of art at Encinal consisted of water colars, pencils, crayons, glue, and clay. These supplies were used by art students to create pictures, paintings, and fabulous pottery.

Marion Nicosia taught 135 students how to reach their full potential as an artist. She taught the beginners the basic techniques of light and shadow. More advanced students designed and made their own "dreamhouse". The students ended their year with more confidence about their artistic abilities.

Another art learned at Encinal was pottery. Students began learning the basic skills of manuvering clay and worked their way up to using the wheel. On the wheel students were able to produce pots and vases. Students would glaze their works and put them in the kilm to create a finished product. Many of the pottery students ended the '87 year with a stash of useful items of art.

TEACHERS AIM AT MEETING STUDENT NEEDS WITH CASH

Special Education aimed at meeting the needs of students who had difficulty in mainstream classes. Learning disabilities and skill specialization in various subjects caused many problems; they included auditory processing, visual processing, and dislexia. To meet these needs five teachers worked with the special Day Class and a Resource Specialist Class.

Students spent fifty one percent or more of their day in Special Day Classes. All the subjects taught in school were covered plus there were field trips into the community. These trips helped them learn basic living skills, according to their teachers Mrs. Hempstead, Mrs. Devereaux, and Mrs. Rutter.

In Resource Specialist classes students spent less than fifty percent of their day. Essentially these classes tutored students in Math, English, Science, or any other individual need. Mrs. Pederson and Miss Haynes were the tutors.

The Special Education Department continuously improved its classes resources with bills SB-813 and PL-94-142 which gave them about $2,000. The department provided new learning materials such as books, computers, and calculators. There were games which included Boggle and What's My Number. Money, funds, cash, or whatever one called it, also provided new art materials which ranged from paper to paint and markers to paint brushes.

Eighty seven pupils, five teachers, and the EHS administration agreed 1986-87 had, in Special Education, some triumphs.

NOVICE HORIZON STAFF LEARN HOW TO CREATE A MEMORABLE YEARBOOK

The 1987 Horizon Staff had a tremendous turnover. Out of twenty-one students only two were returning from 1986. The novice staff spent their first months gathering the necessary techniques to create a yearbook. Students learned that this was not an easy task. Students were given the whole summer, and the months September and October to gather $250 worth of ads or donations a piece.

Another technique they learned was how to create a lay-out. Creating a lay-out consisted of photographing the subject, cropping the photos, and developing a well rounded copy on the subject.

Advisor Art Roke helped the novice co-editors Kim Wall and Peggy Vaughn stay one step ahead of the staff. Mr. Roke also taught all the staff members how to write good copy and how to crop and position pictures correctly.

The Horizon Staff gave it their all to produce a quality yearbook. Day in and day out the staff strived on making a book that represented the memories and events of the 1986-87 school year.

ENGLISH-A MAJOR KEY TO COMMUNICATION

In the English Department there were approximately 1,200 students that learned more about English. It had two minor subdivisions: Public Speaking and Drama.

During Public Speaking classes, students practiced delivering speeches in front of classmates to prepare themselves for the public. Two juniors, Robert Bisi and Andrea Cunanan, competed against each other in an oratorical speech contest. The American Legion National Oratorical High School, located in Alameda, awarded $500 to Andrea and $300 to Robert.

The Drama classes improved their acting skills in their imitations. The imitations had to be of something or someone they liked. It was a learning experience for everyone to express themselves.

English classes read either French or American literature. Famous works by Shakespeare or Hawthorne were critically discussed in various English classes ranging from Honors, College-Preparatory to General.

Novels were assigned to students within the four grade levels. The Freshman class read ***The Chosen*** *and* ***To Kill A Mockingbird,*** *while the Sophomore class read* ***Les Miserables*** *and* ***All Quiet On the Western Front.*** *The Junior class read* ***The Scarlett Letter*** *and* ***The Red Badge of Courage,*** *while the Seniors read* ***Hamlet*** *and* ***The Canterbury Tales.***

Aside from reading novels, many students learned how to improve their writing skills through rigorous grammar work and books, books, books.

TALK, TALK, TALK, AND WRITE, WRITE, WRITE SUM UP FRENCH AND SPANISH

"Hable Español" is "speak Spanish", as 278 students enrolled in Spanish classes soon discovered. Spanish 1 and 2 featured the necessary grammar for progress into Spanish 3, 4 and 5. The most advanced students entered Spanish honor classes. The hardest part of honors, most students agreed, was the requirement to write compositions on what they had read.

"Parle Frauçais" is "speak French" and that was exactly what Mr. Fong, returning to Encinal after a year of leave, taught his 115 Francophiles. Mr. Fong emphasized grammar, some conversational skills, and an introduction to French culture. In French 3 and 4 compositions based on French readings, once more, dominated students work.

Fifty seven students from eleven countries ranging from Afghanistan to Mexico were enrolled in our English as a Second Language class. They mastered English quickly thanks to their determination and the help of Ms. Rubin and Ms. Gray.

The standard staple of all students was talking. The first and second year students talked and many passed it off as conversation. However, in French 3, 4 and Spanish 3, 4, and 5 they conversed every day "en fraucaise" and "en espanol." According to our instructors such verbalizing improved conversational skills and certainly fit the student pattern of talk, talk, talk!

STUDENTS EXCEL IN MATH AND SCIENCE

Numbers! Numbers! Numbers! 850 math students dealt with math challenges that ranged from consumer spending to calculus. They tackled problems, such as $f(x) = x^2(x-2)^4$. Head of the Math Department, Ms. Vierra helped students succeed in math, so did Mr. Rebensdorf, Mrs. Pratt, Mr. Feeney, and Ms. Skala.

Science meant lots of individual effort to discover and learn about chemicals, mutiple life forms, and properties of elements. Nothing seemed to stop the 700 students enrolled in such scientific studies, as earth science, world science, life science, health, marine biology, biology, physiology, chemistry, and physics. Each class had its own unique teaching method. Students dissected land critters including sheep eyes, brain, and baby pigs.

Other students did their imitation of a surgeon by weilding the knife on crabs, crayfish, frogs, and worms.

Although stink bombs were not allowed some students inhaled the less than hip oder of sulpher or rotten eggs. Meanwhile in biology the state of California required everyone to take and pass first aid including the life saving heimlich maneuver.

MOCK TRIALS, FEUDAL LORDS, TERM PAPERS, FILL SOCIAL SCIENCES

"We rest our case your honor.", said the EHS history students who took part in a mock trial competition. The county court house was the setting for twenty two student participants, who both prosecuted and defended a case. The students performances was scored by a judge and an attorney in each of the court rooms used. It was the first ever mock trial for junior history students, but it was traditional Alameda educational requirements for the freshman as they filled seven sections of World History.

Freshmen learned about ancient greeks and minoans, feudal lords and renaissance geniuses, all the way up to the contemporary people and events. Many cultures were discussed and lots of historic terms increased everyone's vocabulary.

The Revolutionary War, the Constitutional Convention, and other events that shaped the United States were discussed and analyzed by juniors. Term papers, written on some peice of history, were a less than pleasant requirement.

Many governments and their economic systems were explained to the seniors. Hopefully they learned the principles, functions, and structure of the American govenment and compared it to other governments of the world.

Encinal's better young historians began to comprehend that understanding the past enhanced their knowledge of the present. History is our future!

A NEW CHANGE COMES OUT IN PHYSICAL ED!

As 600 students embarked on a journey into physical education, they discovered a variety of sports. Indoor sports, badminton and pickleball, were favorites. Other indoor favorites included basketball for a lot of guys and aerobics for many girls. The gals preferred aerobics when masculine presence was excluded. Indoor volleyball and weight-training had their advocates who claimed they were most exhilerating of all.

Outdoor sports were football, soccer, softball, tennis and swimming. Tournaments were held in soccer, softball and tennis as well as indoor sports, badminton and pickleball. To pass the swimming course, students had to swim a lap of freestyle, another lap of backstroke and a final lap of their choice.

In the spring semester, physical fitness requirements changed. Two years ago, California passed a state law. It required the testing to be more health related. Research was done and a new health related battery was created. Sit-ups switched arm position from hands behind the heads to arms crossed over the chest. The side step became the shuttle run, aptly named because the runner always moved some object from one point to another. Finally, the six minute run accelerated into a mile run, but timed according to each individual's ability.

CADETS PREPARE FOR COMPETITIONS, PARADES, AND OTHER R.O.T.C. EVENTS

Parades and weekly inspections, a helicopter ride and a turkey shoot were part of the 1986-87 ROTC program. Cadets, when asked, responded that they really injoyed the class.

The week for 155 R.O.T.C. students followed a familiar pattern. Monday, Wednesday, and Friday they drilled, and drilled some more as the three companies perfected their marching so that they would be a credit to their school and their class in any parade. In the Veterans Day parade Encinal's ROTC unit came home with the second place trophy. On Tuesday and Thursday everyone attended classes on map making, citizenship, and proper moral behavior.

Thanks to the U.S. Navy R.O.T.C. cadets helicoptered around the bay from Alameda's naval base to Treasure Island and back. 60 cadets participated and for many it was their first chopper ride. The big event was the annual competition night.

The big event was the annual competition night. On May 18, 1987 A, B, C companies clashed as they aimed for honors in prone team, best squad, and best platoon Company A particularly wanted to maintain their 2 year win streak. FLEET WEEK FEATURES STUDENTS WHO SAY NO TO DRUGS

On October 13, Encinal students zeroed in on drug abuse when they participated in the US Navy fleet week campaign called "Just Say No". Drugs have been an issue, nationally, locally and with both parents and teens. Yet 130 students signed up in a few days and took part in the war against drugs aboard the carrier USS Kitty Hawk.ol Three buses filled before 7:45 a.m. and the adventure began. The Bay Bridge was crossed during commute rush hour. The navy parking lot was filled quickly, and the 130 jets gathered up the "Just Say No" balloons and any other memorabalia the Navy handed out. As flight elevators filled students were hoisted to the flight deck and ushered to their spots to form the giant letter "O". Several practice runs were attempted, personnel moved bodies so that the letter did not look as if it had a hic-cup. Helicopters hovered over head as photographers shot film by the roll. Finally when every school and student was in place the spell out began and the final pictures were taken and "Just Say No" appeared on the flight deck for the world to see.

Though the weather was cold and windy students had a fun and enjoyable time. Students had made new friends with other students from other schools who had also participated in the festivities. All in all the trip was a success, and hopefully the message against drugs will ring across the world.

SPIRIT WEEK STIRS THE JETS TOGETHER

The challenge in fall 86 was Spirit Week. Each class had a different approach. Senior's opted for "Puttin' on the Ritz" as a theme. The juniors fasinated by the pepsi vs coke advertising campaign had their own "Choice of a New Generation" extravaganza. A taste of Candyland returned to Encinal as the sophomores mixed up their version of a familar theme. The freshmen developed a safari within a home grown jungle. The halls were nicely done with a lot of effort and hard work.

For the assembly seniors walked down memory lane by remembering the phases students went through when they were freshmen, sophomores and juniors. The juniors followed up their decorations with a remake of coca-cola and pepsi commercials. One of the sophomores act included, dressing in their version of raisin costumes, and dancing to the tune "I Heard It Through the Grapevine". The freshmen dressed in their version of jungle clothing and read a creative poem.

Spirit week pep rallies featured an egg toss, a dunk for apples, and musical chairs.

The spirit days themselves included class theme day, class color day, 60's day, the traditional mourning day, and blue and white day.

VICTORY AND ROYALTY ALL IN ONE WEEK!

As the lights flashed and the drill team twirled their rifles, the names were announced for the Homecoming Court. The ladies were presented with crowns, roses and sashes, while the gentlemen came away with only the sashes.

Homecoming festivities included gala affairs and winning streaks. The highlight of it all was when Encinal won over Salesian, which was the first time Encinal had not played against our cross-town rival, Alameda High School.

As the B.O.S.S., or better known as the Boys of Superior Sounds played the Homecoming Court Dance song, which was the "Glory of Love," the court swayed to the music. It was a victorious day and night that Encinal will never forget.

SPECIAL DAYS ARE A SUCCESS THANKS TO LEADERSHIP

The leadership was determined to make Encinal students of '86-'87 spirited. They did this through a series of "special" days. For example, hat day, mismatch day, toga day, school colar day and much, much more. Not only did these special days get attention. Holidays were celebrated with equal enthusiasm.

Students of Encinal have always enjoyed participating in the Halloween festivities. The '86-'87 students were no exception. Costumes included Pebbles, Buckwheat, the Grim Reeper, a bag lady, Raggedy-Ann, a mime, and a wide assortment of clowns, witches, and ghosts.

Flower-grams helped celebrate various holidays. They added chear to Christmas, romance to Valentine's Day and Spring to Easter.

The school year ended on a spirited note thanks to the efforts of the leadership class.

CLUBS PROFIT FROM MONEY RAISED

Close-Up members, accompanied by advisor Ken McCartney, packed their bags in early February for a week long stay Washington, DC. The members of the Close-Up club toured through monuments of history during their stay in our nation's capitol. Daily activities included sight-seeing, meeting political spokespeople and making new friends. The week long stay Washington, DC was an educational experience, in which, members learned more about the governmental process. They walked through the Washington and Lincoln memorials, climbed the steps of the capitol and glanced over the names on the Vietnam Memorial. For the 86-87 Close-Up group the Washington, DC experience was well worth the hard work put into the raffle and candysales.

As it happens annually, the Spanish Club started the 86-87 school year raising money. The money raised through candy sales was used for cultural experiences and for pizza feeds. The Spanish Club was well on their way to raising a lot of money, with the help of new advisor Maria Sanchez. French Club members, on the other hand, were not set aback by the departure of Ms. Donohue, instead, they have paved a new road with the help of former advisor, Glenn Fong. From candysales, the club raised money for cultural trips. Asian Club members followed the same path as the other clubs to raising money. Won-ton, Lumpia, and candy sales earned a lot of money for the club. Profits went towards fun activities that took their minds off the hard work of school.

Ski Club members were anxiously awaiting the planned trips to the ski slopes. They were able to do so with the help of their advisor Mrs. Bessard. First, they raised money through candysales and, then, packed their bags for the slopes. Drama Club President, Nanita Cranford, advisor Robert Morehead, and club members worked hard to raise money by selling Gummi Bears and having car washes. All their hard work was headed towards one thing-a trip to Ashland, Oregon for the Shakespeare Festival. The Drama Club was, also, busy entertaining Middle School students during assemblies held in April. When it came time for awards, the third annual "Curtain Awards" was held in May.

EHS VARSITY FOOTBALL EAST SHORE ATHLETIC LEAGUE CHAMPIONS

Twenty-four Seniors and two Juniors, the Jet Varsity football team, stopped everyone because they really worked together as a team.

The Jet victories on Stargell Field included a thirty-nine minute game against Wilson. An injured player, the need for an ambulance, and a score of (42-0) triggered the decision to call the slaughter off after thirty-nine minutes. Cross-town rival, Alameda, had shut out their first four opponents. Then the played the "Big Blue Wrecking Crew" and wound up with zero to eight for the Jets. The Alameda shut out was Encinal's fourth consecutive victory in the last four years over Alameda High School.

Team work paid off when Encinal became the champions of the newly formed East Shore Athletic League (ESAL) on the day they demolished Salesian (21-7). Their regular season ended with a 9-1 record and the team was rated number ten in the California State poll.

Jets' wide receiver Bobby Blackmon and running back Carl Robertson were selected as players on the All-ESAL football squad offensive team. Carl Robertson was named "Back Of The Year". Bob Patubo and Blaik Nichols selected as players on the All-ESAL First team defense. Finally, quarterback Todd Cabrera was voted "Most Valuable Player" on the Jet squad by his teammates.

A championship meant post season play. As number one in the ESAL, the Jets faced Alhambra in the first round of the 2A North Coast section playoffs. They lost to an inspired team (27-14). Even though they lost, one final honor came to Encinal as Mr. Mark Ironside, the Varsity coach, was named ESAL "Coach Of The Year".

J.V. FOOTBALL PLAYERS AND NEW FROSH JETS ARE DETERMINED TEAMS

The Junior Jets also known as the Encinal Junior Varsity Football Team met the 1986 challenge and recorded eight wins, one tie, and one loss. Alameda tied us and St. Marys grabbed a victory by one point, 21-20. Four shut outs helped make the season memorable. Zip scores went to Albany, Arroyo, Bishop O'Dowd, and Salesian. In the last game played on our Willie Stargell Field, Salesian learned about Junior Jet Power. In that showdown the jets piled up 250 yards through the use of a balanced offense, and the defense held Salesian to no points with their tough stands.

Encinals workhorse in the backfield was Rod Burge who scored three touchdowns on runs of nineteen, five, and seven yards. Cornell Miller caught Greg Johnson's nineteen yard pass and scored the fourth touchdown of the day. The final score was 28-0.

This year our Frosh Team had a tough and trying season. Like all new teams the Frosh players had to learn how to work together as a team. Coaches Geno Marcilline and Mike Feeley worked on getting the team more experienced with the game of football. The Frosh team ended the season winning one game and loosing seven. They did however learn a lot which they showed in their second game against Alameda High School which they won 18-0.

CHEERLEADERS BRING SPIRIT BACK FROM CAMP

No one accused the Varsity Cheerleaders of not having enough spirit. Their season started in the summer when they went to camp in Santa Cruz. For three days and two nights the girls struggled to learn new cheers and routines.

When the cheerleaders came back, they had the privilege of bragging about winning the orange spirit stick, which symbolized the most spirited squad.

The Varsity and Junior Varsity cheerleaders practiced every day after school from 3:00 to 4:30 for the pep rallies and football games.

When the basketball season started, six new girls were chosen as the Varsity line. They spent their afternoons from 3:00 to 4:00 practicing for the Tuesday and Friday night basketball games.

It took the cheerleaders alot of hard work and energy to learn their many cheers and routines before they could present them to the student body. As one of the cheerleaders said, "It's not easy to perform in front of all those people."

GIRLS TENNIS TEAM MEETS CHALLENGES AND TOUGH MATCHES

The Girls' Tennis Team faced the biggest challenge of all this year, a new coach. Most of the girls were returning letterwomen, so they had to get used to Mr. Rebensdorf's unique style of tennis coaching.

The girls volleyed back and forth Monday through Thursday from 2:45 p.m. to 4:30 p.m., with Fridays optional.

Nikki Drefko was recognized as the Most Valuable player by virtue of a difficult match she won. Veronica Wimer was the #1 player, and Heather Winklehake and Mari Tilos were the #1 doubles team.

With the encouragement of their coach, the girls kept practicing, in spite of their record. They finished the season with a record of 2-8.

The girls went out with grace though they made a gooey mess out of themselves at the promised end of the season pizza party.

GIRL'S VOLLEYBALL ACCIDENTLY BUMPS THE SEASON

A key to a good pass-"Keep your arms straight." A key to a good spike-"Take position and stay under the ball." A key to a good serve-"It's better to serve overhand than underhand. You have more control of the ball if you do it overhand." These were three of the many things that this year's volleyball team heard during three strenous hours of practice every day after school.

This year's team was headed by a new coach. Coach John Selhorst was very determined to teach his teams more about volleyball, make them the best they could be, and most of all, to have fun. Both teams encouraged each other through good and bad games.

This year's Varsity team consisted of many returning players like Victoria Brooksire and Sonya Harris as well as new players like Luisa Suesue and Linda Hill. The most valuable player was Holly Price while Marie Bonoan and Tina Chin were the most improved players.

The Junior Varsity team was just as eager and determined to win. They also played outstanding games. This season's most valuable player was Alverna Arellano and most improved was Andrea Simon.

BOYS CROSS COUNTRY "RUNAWAY" WITH ESAL TITLE

The key to cross country's success throughout the 86 season was their determination, hard work and the will to win. These elements were what made the boys cross country team able to "runaway" with the ESAL title. These athletes were well trained and prepared by new coach Alan Ricketts for a long and fulfilling season. Daily practice was held from 3:00 to 4:30 p.m. and workouts ranged from 3-6 miles a day.

This year the J.V. team had many new goals and new faces. Leading the J.V. team toward victories such as a 6th place finish at the Mariner Invitational and a 5th place at the San Ramon Invit. were Sophomore Brock Dickie and Freshmen Brice Venables. A 10th place victory at the Standford Invit. were other achievements for the J.V. team.

The Varsity girls team had a trying season this year with all first year runners. These Varsity girls showed a lot of effort and enthusiasm for this competitive sport. The Varsity girls team holds hope and promise for the near future.

Even though the Varsity boys team placed 3rd at the ESAL meet, they captured the ESAL title. The boys Varsity team was impressive at the North Coast Section placing 5th. Some of the other achievements for the boys were a 5th place at the San Ramon Invitational, and also a 5th place at the Mariner Invit. At the Stanford Invit., which attracted many runners from all over the state, we placed 10th.

GIRLS SOCCER ATTEMPTS TO GO FOR THE GOAL

Girls Soccer during the 86-87 year, tried their best to give it their all. The team was made up of 7 seniors, 5 juniors, 3 sophomores, and 3 freshmen, for a total of 18 determined players ready to go for the win. By new recruit Coach John Nyugen, and with the help of team captains Laura Harrington and Ruby Tan, the three tried to put together new strategies to make this a winning season, which meant practicing from 3:00 p.m. to 5:00 p.m. everyday after school. Unfortunately in the beginning their was not enough communication within the team. However in the end strategies were more cordinated and the Girls Soccer Team finally won their last game. Although their season was not the best it could have been, winning the last game may be a sign that makes the 87-86 season look promising, and hopeful.

MEN'S SOCCER WIN BIG WITH PRACTICE AND HARD WORK

The Encinal Men's Soccer Team played the season with the guidance of Coach Jim Perata. The scoreboard posted 8 wins and 4 losses.

The most valuable players were reported to be Raphael Hahn, Brett Linsay, and Mark Carney. Throughout the season's 12 games, Raphael Hahn made 15 goals which was more than any other player.

Practices were everyday afterschool from 3:00 to 5:00. All the practice and hardwork paid off and took the team to play the championship league game against Bishop O'Dowd but lost 0-1. The team was only one game away from playing in the North Coast finals.

"It was a well played season and our team came together perfectly." said Kunle Thomas with a satisfying grin.

Many players were disappointed with the final loss but are looking forward to returning and playing a better season next year.

ENCINAL HIGH GIRLS BASKETBALL TEAM FLYS BY ALAMEDA

The Encinal girls basketball team had an excellent '86-'87 pre-season.

The team consisted of mostly lower classmen that will be returning in 88. There are three Seniors, one Junior, a Freshmen and the remainder are sophomores.

The most important game of the season was the big game against Alameda High for the title of the City Champions which was played in the famous Oakland Coliseum.

Let it be known that the Varsity Girls' Basketball team dominated and has become number one in the City Championship. The final score of the Alameda game was 46 to 33.

The J.V. team also had a very good pre-season but due to injured players, they had more loses than wins.

Many players on the J.V. line looked promising and might even be able to move up to the Varsity level in coming years.

Though they did not win every game, the team effort and the Jet Pride spirit was shown in each and every one of them.

BOYS VARSITY BASKETBALL TEAM THIRD IN ESAL

The Boys Varsity Basketball team finished the season with an overall record of 20 wins and six losses. With great players such as J.R. Rider, Bobbie Blackmon, and George Hobbs, the team took third place in the ESAL.

Along with Coach Tilman and the Junior Varsity players, Coach Johns had the team practice after school from 3:00 to 5:00 or from 4:30 to 7:30 for the Tuesday and Friday night games.

The Jets went to North Coast, but were knocked out by tough competition. The team finished the season with an offensive average of 61.6 and a defensive average of 50.2.

PRACTICE AND EXPERIENCE SHAPES TEAM

One Freshman, one Sophomore, five Juniors, and four Seniors made up the wrestling team.

Practice and veteran experience helped shape the wrestlers. Under the new leadership of Coach Jose Nunez, they attended ten dual meets and seven tournaments. From the tournaments, they ended the season with a five and two record.

Along with Coach Nunez, team captains Eric Bustos and Aaron Robles guided the team to the North Coast Sectionals. Only Daniel Rutschke made it to the C.I.F. State Finals and lost in the first round. One wrestler said, "we had a great season, but wait until 88."

BOY'S TENNIS TEAM PRACTICE IMPROVING TENNIS TECHNIQUES

Day in and day out the boy's tennis team practiced perfecting their tennis techniques.

From 3-5 p.m. Monday thru Friday the team worked on rallying, serving, and vollying.

To determine each players status and standing on the team Mr. Rebenssorf, the teams coach, had to make a ladder, Mr. Rebensdorf set up matches for the players. By doing this the players were given the chance to apply and execute their learned skills on each other and see for themselves where they stood on the ladder.

Whether their standing was high or low they played their best. As the season came to an end many of the players finished with improved tennis skills.

COED BADMINTON TEAM GOES WILD OVER NEW YONEX RACKETS!

With twenty-seven new and eager Badminton people, and ten veterans, the coed Badminton team started out with a bang! Their season had thirteen games, including one faculty match. The first practice was on February 24 from 3:00 p.m. to 5:00 p.m. Running forwards, backwards, and sideways, stretching and practicing shots as well as challenges to make the ladder, resulted in grueling sweat for all!

Coach Ken McCartney organized a candy sale to raise money for new nets and rackets. The team worked hard selling crunchy Ghiradelli candy bars for a dollar apiece, and the person who sold the most received a new racket — Gary Wright sold a total of eleven boxes!

Sixteen brand new YONEX rackets were the result of the team's hard work, which made them feel that their endurance and strength paid off for them in their matches as well as in themselves.

BOYS BASEBALL BEGIN SEASON WITH SPIRIT TO KEEP JET PRIDE

With 14 players on Encinal's Baseball team of '87, the Jets strove to better the '86 record‘ Practices were held between 3 and 5 every week day. They composed of stretching, running, batting, throwing, and catching. Practices bettered each team members endurance and stamina. This prepared them for the long season of 21 games.

Of the 14, 9 were seniors. Four of them were starters. They included Andrew Milani, Scott Rapposelli, Derrick Thompson, and Clint Wade. The other seniors were Gary Bill, Howard Evans, Joey Lee, Drea Mims, Mike Rice, and Dan Tracy.

Even though the season began with 3 games out of 6 lost, the Jets were not discouraged. Tim Marr, the Head Coach and Mike McKee, his assistant, were excited as the talents and potentials of every individual stood out.

GIRLS SOFTBALL FACES TWENTY ONE GAMES PLUS TOP OPPONENTS

A determined softball team composed of twelve girls, six were veterans, showed just how they hung in with the bad weather. Practices were held Monday-Friday at Washington Park, their home field. Their slow starting season made the practices longer, harder, and more abusing as each day passed.

Their first game was played at their home field, against Pinole Valley. Though they had lost to an inspired team, the team's will to win kept them going. Infield and outfield drills conditioned them for the upcoming games.

Robyn Crispi's experience and enthusiasm helped and guided new players and earned her the "Most Valuable Player" of the ESAL league.

Throughout the season with the advice and dedicated help of Coach Dave Johns the team went for their goal to play twenty-one games without mercy.

GIRLS TRACK TEAM RUNS FARTHER AND TRIES FOR ESAL

In early February the Encinal Girls Track Team started practice. It was a month before their first races. Head Coach Don Grant and long distance trainer Coach Alan Ricketts met the girls daily after school on the Willie Stargell Field for their workouts aimed at building speed and stamina.

Donita Lyons, Luby Aburto, and Vanessa Bradley were the veterans and Cristin Irwin, Vernita Lyons, and Deonca Dollison represented the newcomers. the "vets" represented sprinters, discus throwers, and long distance aspects of the sport. Two to three hours of practice pushed the girls to excel in their specialty.

Don Grant worked with the sprinters and had them do speed workouts. Alan Ricketts concentrated on the long distance runners as he promoted wind sprints and long distance intervals as the: 220, 330, and 440.

The season was filled with races that were on Tuesdays, Thursdays, and Saturdays. The Jets participated in meets like: the ESAL Relays, Stapelton Relays, Granada Relays, and the Woodland Invitational.

PRACTICE MAKES PERFECT FOR THE EHS BOYS TRACK TEAM

This year's track team had to work to prepare themselves for the season.

The season began on February 15 with some knowing what was going to happen like those who were on the team, and some who weren't quite sure if track was the sport for them. Sure or not, a variety of seniors, juniors, sophomores, and freshmen showed up for practice afterschool everyday from 3:00 to 5:00. The boys did knee work and blockwork, ran laps, practiced sprinting and take offs. For awhile they complained about the work they had to do but they realized it was all a part of teamwork and how much effort you want to put into it was up to them.

It took alot of sweat out of them but they believed "practice makes perfect".

ENCINAL SWIMMERS EXPERIENCE MANY POSITIVE CHANGES

Statistics told the story, or did they? Twelve miles every eight days or thirteen hours of work-out a week, or two sessions per day in the pool left each swimmer water logged. The foregoing statistics do not really tell the 1986-87 swim team story-what does tell the story is understanding that swimmers always compete against their own personal best record and the work-outs build the stamina, stroke, and form that gave individuals success in meets and in bettering their times.

The Encinal Swim Team sponsored a fund raiser, aptly named, "Splash-For-Cash," where the swimmers swam up to 200 laps in two hours. The money raised went for new swim equipment.

The Encinal Swim Team experienced a new coach: Coach Tom Murphy, a student at Hayward State, gave the team a new perspective on swimming. Lap after lap was not the only aspect of swimming, it was working together, supporting each other and having team spirit.

ENCINAL CRUSHES THE EAST SHORE ATHLETIC LEAGUE

Although Encinal was put into a new league, it did not affect the performances of our athletes. Why was there a change in leagues? A reason was not given, just that North Coast wanted to switch our league.

In the fall, the Boys' Varsity Cross Country team did an outstanding job in their league, winning all of their meets. In the ESAL League meet, Blair Venables placed first, thus giving him the title of all-league runner.

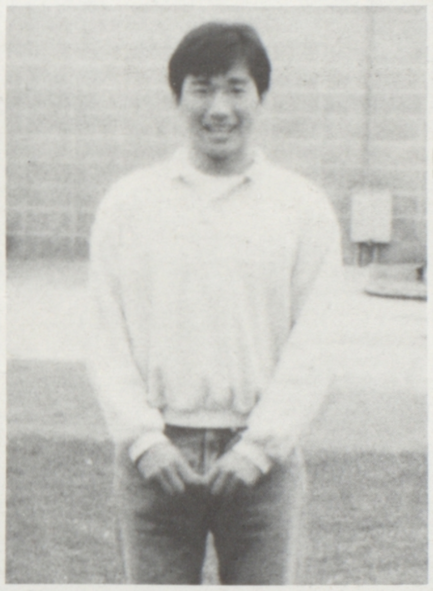
The Varsity Football team had four exceptional athletes who were chosen for all-league titles: Blaik Nichols, Bobby Blackman, and Carl Robertson. In the Girls' Varsity Volleyball team, Holly Price received honorable mention and was named most valuable player of the volleyball team.

In the winter season, Robin Crispi was honored as all-league player for Girls' Varsity Basketball. Also Yulanda Hampton, Kim Washington, and Rachael Crispi were nominated for honorable mention by the league coaches.

James Wells and J.R. Rider were noted as the "cream of the crop" in the Boys' Basketball season. Honorable mention was awarded to George Hobbs and Enos Trousclair.

In soccer, Brett Lindsey, Mark Carney and Rafael Hahn were recognized for their skills on the field. All three were given the all-league title.

For the climax of the winter season, the Wrestling team had three members, who placed first in their league, go to the North Coast matches: Terry Wise, Ivan Walker, and Daniel Rutchski. Ivan Walker placed fifth at North Coast and Daniel Rutchski went on to California State championships.



DRESSED FROM HEAD TO TOE: ANYTHING GOES!

"Unrestricted," was THE word for Fads and Fashion. Whether "to dress" meant sweats, jeans, casual pants, skirts or dresses, didn't matter because there were no rules, and anything went.

The only notable fashion scene consisted of anything from the "western look" and "cutsie bows" for the gals, and "suspenders" for the guys. Turtlenecks were seen on both male and female bodies, as were Bugle Boy, Guess?, and Generra clothing.

Watches that displayed the sun in the daylight and the moon at night were a popular fad.

Whatever the scene, the atmosphere held an air of nonchalance, where what people wore didn't matter, because anything went!

There are those who think that they've been dealt a losing hand, the cards were stacked against them, and they weren't born in Lotus-Land. All pre-ordained a prisoner in chains a victim of venemous fate

"So Choose Free Will"

Dearest Jeeps, I'll "Always" love you "In A Special Way". I'll ***NEVER*** *leave you! Right BUDDY! And I won't eat my* ***NEVER****. Thank you so much Sam!! George and Sam I hope things get worked out!! Florina and Romel there's no way to describe how you've guys were always here for me. Thanx! FOREVER you guys!! And to my real friends Let's party you guys!! GODZILLA!!*

WELL YOU GUYS I MADE IT! NOW ITS YOUR TURN!!

CONGRADULATIONS
TO THE CLASS OF
1987

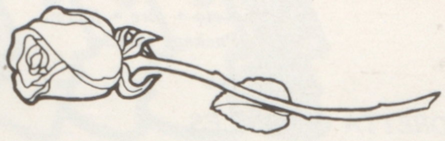
yearbook staff:-

Believe it or not -you did it!

This is like so cool! My own space in the yearbook to write whatever I want and I'm not even a senior! Talk about privileged. I know shut up! But keep reading: Steph-Red and white is punk. Kat-April 1, 1987. Sonya-thanks 4-everything! Thad & Chris-U2 are still great! 2 my family & friends:

I luv u all.
Drea

"Follow your dream . . . take one step at a time and don't settle for less, just continue to climb . . ."



"THE LORD IS MY STRENGTH AND SONG, AND IS BECOME MY SALVATION. FOR HIS MERCIFUL KINDNESS IS GREAT TOWARD US: AND THE TRUTH OF THE LORD ENDURETH FOREVER. PRAISE THE LORD."
(PSALMS 118:14 & 117:2)

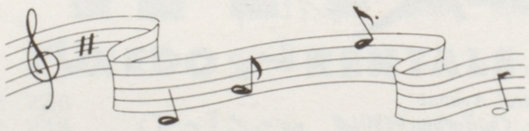
Only the strength and love of God and the encouragement of friends sustained me through this year. "A friend's a friend forever, if the Lord's the Lord of them . . . "Thanks Gert (TS), Wendy Fongy, Monika, Lynnette and L.C.; and especially to Erico, for the sanity through the long days and physio, and Bennett, for your love and snugglebear. To the yearbook staff— WE MADE IT CV, KW, JM, RB, CH, RT & MK!

Ces R.N.

Keep dreaming and succeeding

"Life is not always what one wants it to be, but to make the best of it as it is, is the only way of being happy."

You hearing this particular music touches those thoughts I had so hoped could rest while I filled the empty space with whatever I could . . .



To the receivers of the artistic letters, remember: if you look carefully you can uncover hidden feelings!

J.L. Lahey

As we the class of 88 approach our senior year we will be looking into our future hoping, wondering, and dreaming about our future. In it I hope to find PEACE. ZAMEER: to PEACE. We are the future so all must be cautious!! The class of 88 is Rad-

Robert Bisi

Mari-

The sky is no limit-Reach for the stars.

I'd like to congratulate my sister Mildred (Marie) Bonoan for graduating and so with all the seniors. It was a fun year I'm looking forward to next year. Well see you next year! R.B. P.S. yearbook staff

E, A^h, M^2, S^3, L, P^2, R^2, C^2, T, S, and K

"Rejoice and be glad on this day cuz when tomorrow comes you'll regret it. Life's too short to even waste a minute. So only do the things that you'll thank yourself for later!" God bless you!

Cassie Ham

BYE

Okay YA'LL here's my famous quote! Read it. Remember it . . . Live it!
"DON'T BE AFRAID. THERE'S NO TIME TO BE AFRAID. LIFE IS TOO SHORT. TAKE CHANCES. SAY "YES." JUST . . . DON'T BE AFRAID! (YOU CAN DO IT!)

Jennifer Tolentino Manuntag

"FAREWELL A WORD THAT MUST BE AND HATH BEEN, A SOUND WHICH MAKES US LINGER; YET-FAREWELL." CONGRATULATIONS TO ALL THE SENIORS!

JANET KWUN

"PASSING THROUGH, PASSING THROUGH-SOMETIMES HAPPY, SOMETIMES BLUE. GLAD THAT I RAN INTO YOU - TELL THE PEOPLE THAT YOU SAW ME PASSING THROUGH."

God Bless The Class of 1987
